directions

From the centre of Llanwrtyd Wells take the road at the Drivers Rest/Barclays Bank junction signposted to Abergwesyn and Coed Trallwm. Follow this road for approx. 2 km passing three cottages on your right. Soon after the cottages the road turns left over a stone bridge over the River Irfon. Where the road turns sharply to the right turn left just before St Davids Church. Follow the road up the hill behind the cemetery, continue up hill past an old farmhouse on the left. Lledgwial is the last property on the road – pull into the yard and park between the two barns.
